

MODULAR WINDOW SIGNS

Modular Window Sign for Letter Size Paper.

Portrait and Landscape orientation available.

LETTER SIZE PAPER

The Modular Window Sign is available in Letter size. It accommodates a piece of paper at 8 1/2" X 11" Landscape or Portrait.

Easy to open, these signs are perfect for high turnover signage.

Simply slide the acrylic to one side, (do not remove acrylic) the End Cap will automatically flex open allowing access to the contents.

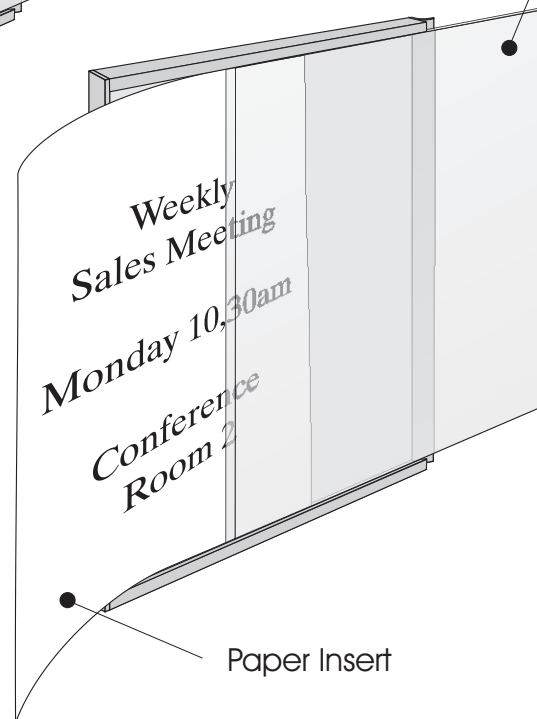

Simply slide the acrylic to one side, remove the paper, replace it with a new piece of paper, then slide the acrylic back into place. The flexible End Cap will close, securing the contents.

Non-Glare Acrylic

It is easy to remove and replace the paper insert.

When finished, simply slide the acrylic closed. The End Caps will close, securing the contents.

CODES:

- MWS LS-P (portrait)
- MWS LS-L (landscape)

These units are also available with AM Series Headers, please refer to the Size Chart PDF for more details.
