

POSTER HOLDER SERIES - COMBINED WITH THE AM SERIES

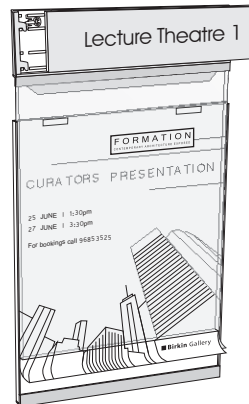

The "Poster Holder" can also be used in conjunction with the AM Series. Poster Holders in various sizes can incorporate an AM Series header or footer. Joined via an aluminum panel attached to both the reverse side of the header and to the U-channel at the top or the bottom of the Poster Holder.

HEADER SIZE OPTIONS

The AM Series Header is fully interchangeable. There are ONLY 2 sizes available:

- 13/16" - (21mm) High
- 1 5/8" - (42mm) High

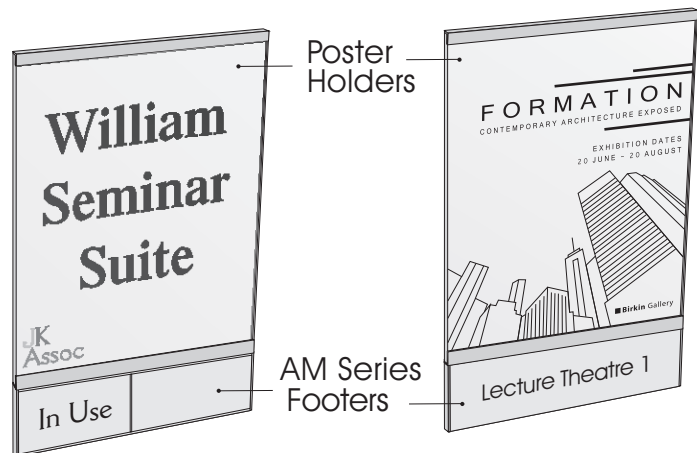

To change paper over, lift acrylic cover off. The header is attached to the acrylic cover. The two items are removed together.
