

INFOSTRIP

How it works

How It Works:

InfoStrip is a ticket strip extrusion that is suitable for labeling shelves, drawers, cubby hole shelving, cupboards, filing cabinets, cubicle shelving, display cabinets and more.

It can be used with a paper insert alone, or with an acetate and paper insert combined for added protection.

Installation:

Double-sided tape.

Maximum length: 78"

Sizes:

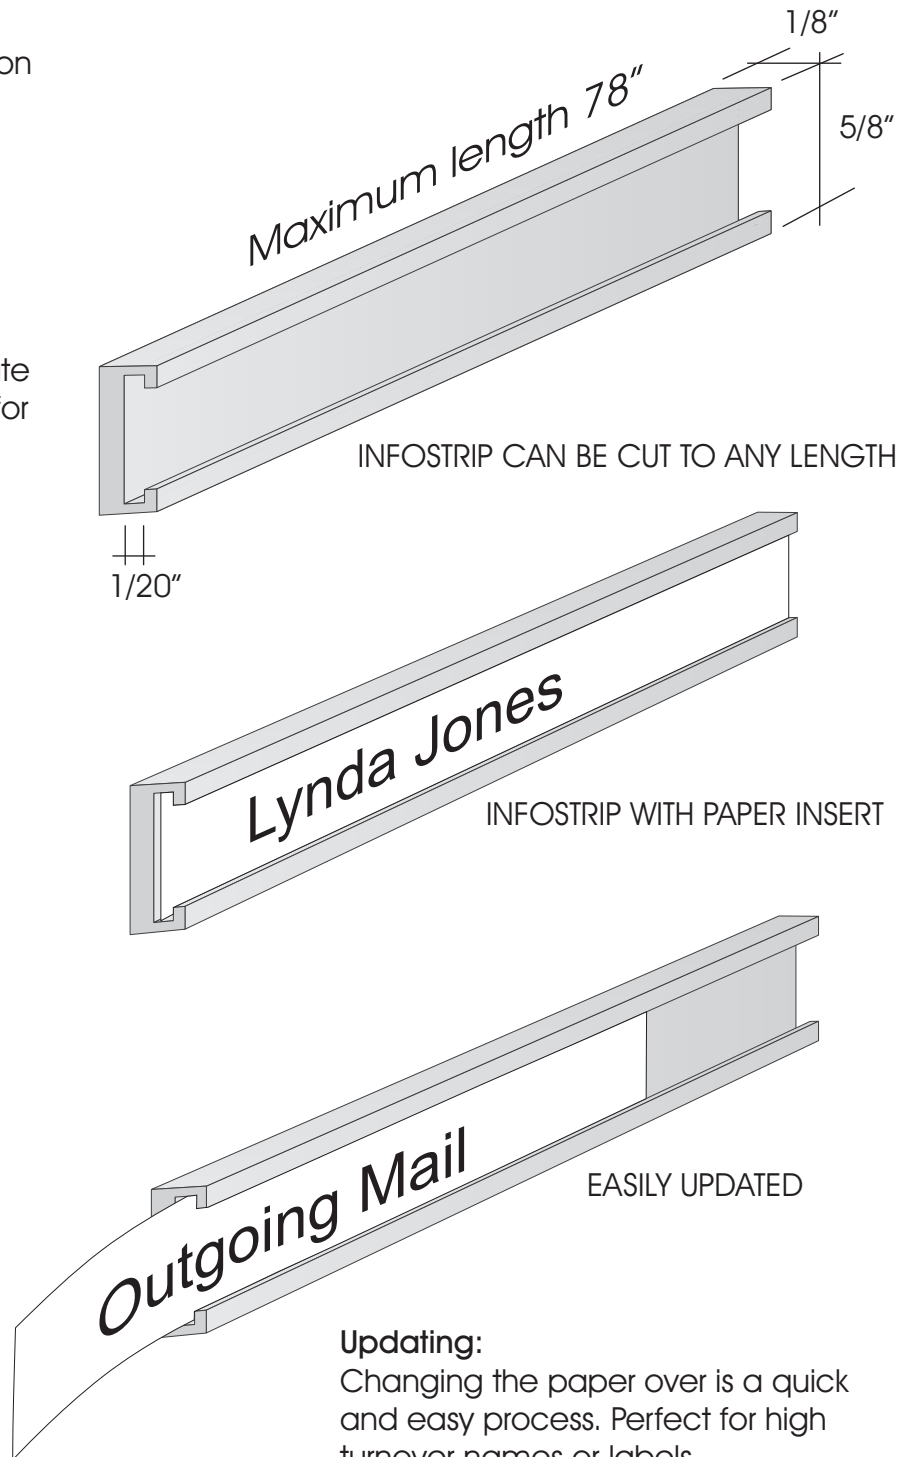

InfoStrip can easily be cut to any size.

Standard Finish:

Satin Natural Anodized Aluminum.
(Clear Anodized)

Painting:

InfoStrip can be painted if required. A suitable undercoat must be used to prime.

INFOSTRIP CAN BE CUT TO ANY LENGTH

INFOSTRIP WITH PAPER INSERT

EASILY UPDATED

Updating:

Changing the paper over is a quick and easy process. Perfect for high turnover names or labels.

Designed for a clean streamlined presentation for all labeling.
