

MAGNETIC SIGN SERIES

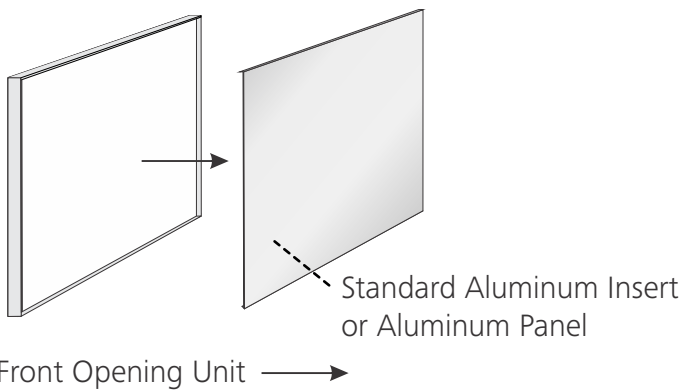

PRODUCT INFORMATION

The Magnetic Sign Series is a slimline interchangeable sign system.

The changeable Aluminum Inserts or Aluminum Panels can be easily removed and replaced as needed. Single or multiple Insert signs are possible.

Apply your copy directly to the face of the removable Aluminum Inserts or Panels.

The Aluminum Inserts and Panels can be removed quickly and simply using the custom Insert Removal Tool or a Suction Cup.

HOW TO OPERATE

Simply attach the suction cup to the Aluminum Insert or Aluminum Panel and pull it towards you.

The Panel will release from the frame. Then remove the suction cup from the plate.

Alternatively, use our Insert Removal Tool. Slide the blade in between the Frame and the insert and lever the insert out.

To replace the Aluminum Insert or Panel just slip it back into position within the frame.
