

InfoStrip Series

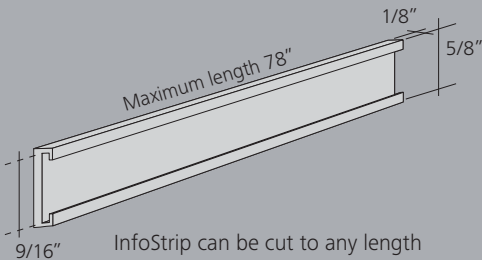

Shelf and Cubby Hole
Labeling made simple

INFOSTRIP SERIES

InfoStrip is a ticket strip extrusion that is suitable for labeling shelves, drawers, pigeon holes, cubby holes, filing cabinets, display cabinets and much more.

It can be used with a paper insert alone or with a lexan cover and a paper insert combined for a more professional finish.

InfoStrip is suitable for interior use only, as it is not water tight.

InfoStrip can be cut to any length required by Systech. Maximum Length is 78"

FINISH

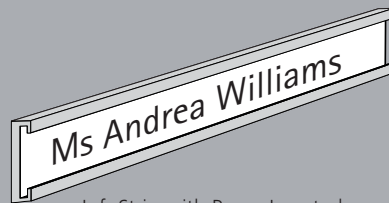

- The standard finish is Satin Natural Anodized aluminum (clear anodized). InfoStrip can be painted if required. A suitable undercoat must be used to prime.

INSTALLATION

InfoStrip is easily installed with double-stick tape.

SIZES

- InfoStrip is available in one size - a height of 5/8"
- Maximum length available is 78"
- InfoStrip can be cut to any size by Systech
- InfoStrip can be purchased in full lengths
